&nbsp;From December to February anglers may see one of the archipelagos most interesting creatures. This is the rare whale shark, the largest shark and the largest fish in the world. Fly-fish, for queens fish, ladyfish, bonfish, pompano and several species of kingfish, in the narrow channels between Bazaruto and Benguerra, is unsurpassed with the best season being from March to July. Rock and surf fish included kingfish, couta, king, mackerel, Springer, and big garfish.

&nbsp;Most lodges in Mozambique are happy to welcome, and teach, novices while tackle and equipment is normally available to hire. Boats are fully equipped with the navigational and fish finding aids in addition to all the usual safety equipment. Half day (six hours) and full day hires are offered. A tag and release policy is widely encouraged.&nbsp;
